MUSIC: Regina Spektor - On The Radio

Last night at the climbing gym, woman of about 25, bright blue t-shirt, bleached bobbed hair dyed blue on the ends, cobalt-blue elbow crutches and a bright red climbing shoe on her right foot.

She didn't have a left foot. Or a left leg below the knee.

Climbing 5.8, 5.9 too. To much admiration.

I wanted to introduce myself, but I was shy.
